HOLIDAY OVERVIEW: Lush paddy fields, Jungle mountains, tropical beaches – Vietnam has it all when it comes to the gifts of the gods. We commence our holiday in Ho Chi Minh City. The French influence can be felt throughout the city, not least in its architecture. District 1 where our 5* Majestic Hotel is located and has Notre Dame Cathedral, Re-unification Palace, Municipal Theatre are just a stroll away.

Da Lat is the cooler cousin to Vietnam seaside destination. Famous for its countryside charm. The mountain resort town was the summer getaway for the French, where they have left their mark in a European inspired architecture, none more so than our Dalat Palace Heritage Hotel. It is a living testament to a bygone era. It first opened in 1922. The majestic style and historical architecture has been maintained in this true luxurious space. Central position with a wide view towards Xuong lake.

Graceful, historic Hoi An is Vietnam's most atmospheric and delightful town. Once a major port, it boasts grand architecture and beguiling riverside settings that benefits its heritage and the 21st century curse of traffic is almost absent. The Victorian Beach Resort lies on Cu Dai Beach – a paradise haven on the outskirts of Hoi An with a free shuttle to town (5mins). This resort offers upscale accommodation, great service, great food and authentic experiences. All hotels are your hosts favourites in Vietnam for 20 years
