Flights & Transfers

Please note there isn't direct flights to Proserpine every day from all cities except Brisbane. You will receive a transfer back to Proserpine, but not from. I can book your transfer as a small group from the airport to Airlie Beach.

If travelling from Sydney to Proserpine its best to travel by Jetstar (only direct flights but return home one day later). Ask Greg about a cheap rate for the extra night. The amount you save on the direct flight will be roughly equivalent to the cost of the extra night.

If travelling from Melbourne you may prefer to leave on the 24th for 1 additional night. Again the amount you save for the direct flight will be roughly equivalent to the cost of the extra night. If you want all flights direct, then leave 1 day early and return 1 day later.
