HOTEL UPGRADES

The Royal Wing Suites have an Ocean View but filtered for some of them. We find if you take a Royal Wing you have a 70 % chance of been given the upgrade to the Beach Wing. However, if you don't receive one (which I have no control over) its unlikely to be able to upgrade on arrival due to us having half the suites. In saying that The Royal Wing Suites are just as lovely but some have filtered views.
